451,911 RAIL MEN WILL GET \$22,125,000 WAGE INCREASE

HICAGO, Oct. 14 .- An increase of 2 cents an hour affecting 451.911 members of the United Brotherhood of Maintenance of Way Employees and Railroad Shop Workers was granted by the United States Railroad Labor Board to-day, adding \$22,125,000

to the payroll of the roads. The average minimum wage under the decision will range from 23 to 37 cents an hour. The decision came after ten days of deadlock in the board, in which Ben W. Hooper, chairman, and a member of the public group. succeeded in obtaining a majority in favor of the increase.

2 cent raise was proposed by the public group, but not until the cession of W. McMenimen of the labor group and Samuel Higgins of the railroad representation was the decision for an increase made

Chairman Hooper declared the raise had been given to meet the upward trend in wages in other lines of industry and not because of any increase in living costs.

The classes of employees who will receive the increased wage follow:

Section, track and maintenance foremen and assistant section, track and maintenance foremen; track laborers and all common laborers in the maintenance of way department and in and around shops and roundhouses, drawbridge tenders and assistants, pile drivers, ditching and hoisting firemen, pumper engineers and pumpers. crossing watchmen or flagmen and lamp lighters and tenders; engine watchmen and wipers, fire builders, ash pit men, flue borers, coal passers, and miscellaneous classes of foremen and other employe
